The World of LANA

It's a Family Affair

It's Educational

It's Youth Programs

It's Research

It's supporting rescue

LANA is about people and their llamas and alpacas

LANA is about FUN!

Mission Statement:

Established in 1981, the Llama Association of North America (LANA), serves the camelid community by sponsoring medical research specific to llamas and alpacas; providing current and accurate information about camelid health and care; advocating for pro-camelid legislation and access to public lands; encouraging, educating and mentoring camelid enthusiasts of all ages in their interactions with camelids; supporting rescue for camelids in distress; and hosting a variety of activities including youth programs, hiking trips, shows, parades, fiber clinics, educational events and more.

SUPERINTENDENT'S MESSAGE

by
Kathy Nichols

2024 California State Fair "the State of Awe"

The theme for Fair this year was "the State of Awe." And I was! In awe of the participation with the increased number of entries and the ranch displays. New this year was lama limbo and it was a big hit with the fair-goers as well as the participants. The costume classes returned this year with two adult and five youth exhibitors showing off their creativity.

What were the numbers this year? There were 55 animals present along with two Get of Sire entries, one Produce of Dam and one shorn alpaca fleece for a total of 59 animals entered (the same number as last year). The camelid make up consisted of nine alpacas and fifty llamas. The 2023 entry total was 212; there were 252 this year.

The larger halter divisions were Medium Wool Females (8) and Llama Non-Breeders (12). Performance numbers were up with 25 entered in the Novice Division. The State Fair agreed to having a second performance judge on Saturday and the show moved along at a steady pace finishing in the early evening. The performance classes are always a big hit with the public who cheer on the exhibitors. The enthusiastic spectators cheered on our exhibitors and applauded their efforts upon completion. The public also enjoyed the evening demonstrations and especially loved their chance to meet the animals up close in Walk-a-Llama and Walk-an-Alpaca.

The youth exhibitors shined in the Skillathon Challenge. Their studying paid off as there were many perfect scores on the quizzes. One exhibitor had a perfect score matching the Obstacle judge's results.

Something new happened in the barn this year. Camels! Yes, camels! Four dromedaries were housed in our section of the barn. The camel ride attraction was just outside the barn where they were stalled. They had it pretty easy and were frequently rotated for their duties. What a way to celebrate the International Year of the Camelids with our camelid cousins.

Mother Nature cooperated with our cooler weather wishes. Thursday was still on the warmer side, but the next three days were pleasant. Thank you for coming to State Fair. It's no easy effort for any of you to put in four days for the show, not counting all the planning and preparation prior to the show. I hope you had a good time visiting with each other and enjoying the Fair.

You all put the AWE in AWESome!
Kathy

THANK YOUs

The show wouldn't have been possible without the many people who answered "yes" when asked if they would help out at the show.
THANK YOU to our volunteers.

THANK YOU Rob Knuckles

for coming to our State Fair and judging four days of Halter, Performance and Fleece.

THANK YOU Margaret Drew

For being the second performance judge. It helped to make the schedule move along smoothly.

THANK YOU Jill Knuckles and Mario Wilson for helping with the Public Relations classes as photographers and petter.

THANK YOU Robin O'Laughlin

for being our Halter and Performance Gatekeeper and helping the exhibitors find vets for their vet inspections.

THANK YOU Ellen Goldsmith

for assisting at the gate for Performance classes, helping in the ring with the halter and performance classes, and passing out ribbons.

THANK YOU Diane Salais

for scorekeeping the performance classes and entering results for performance and halter in the computer.

THANK YOU Cali Roberson

for being our Shorn Fleece Clerk and organizing the Youth Demonstrations. Also, thank you for helping with the Limbo contest and Walk-a.

THANK YOU Kayla Rogers

for helping with the Skillathon Challenge: judging the obstacle class, organizing the animals and the volunteer exhibitors. Thank you for helping with the youth demonstrations and all the other things that you do to help with the show.

THANK YOU Cameron Weber

for assisting in the ring with Halter classes and passing out ribbons.

THANK YOU Sara Mattia

for assisting at the gate for the Halter classes, keeping track of the Grand Champions, helping round up our exhibitors for Best in Show, and donating to the raffle.

THANK YOU Ani Butler

for another year of helping with the obstacles, being a petter in Public Relations, and running score cards. How many years has this been?

THANK YOU Tonya Salais

for helping with the obstacles and being a petter in Public Relations.

THANK YOU Jana Kane, Mike Kane, Joy Pedroni, and Mario Rivera

for being the "exhibitors" in the Youth Skillathon Performance class.

THANK YOU to the many who helped unload, set up and load the obstacles at the end of the day. Everything was put away so quickly at the end of a long day.

THANK YOU exhibitors for sharing your animals with the public in the "walk-a" sessions and answering their many questions. The public enjoys the opportunity to interact with you and your animals.

THANK YOU to the **youth** for participating in the demonstrations. It's a wonderful display of teamwork, with the help of Cali and Kayla, to educate the public and answer the most common questions.

THANK YOU to the **exhibitors, families and friends** for participating at State Fair this year.

The History of the California State Fair Llama & Alpaca Show

In 1987, Cal-ILA was invited by the California State Fair to educate public about llamas and their uses. Volunteers would sign up for a day to participate in the “Llamas on Display” exhibit. Located outside of one of the big arenas, pens with pop-up tents for shade were set up for the public to meet the llamas. Alpaca was often paired up to display alpacas as well.

The first llama show at the Fair was in 1987. The standard four day format and was held mid-week in the smaller arena. Llamas shared the ring and facilities with goats, sheep, and swine.

In 2000, the show dates moved to the Labor Day Weekend (last week of the Fair) from the previous mid-week schedule to allow for an increased number of youth exhibitors who were having difficulty missing school. Considered prime show dates due to the higher attendance of public, this gave llama owners more opportunity to advertise their ranches with the higher foot traffic through the barn. This new format moved the llamas to the larger main arena and the facility was shared with Watusi and Longhorn cattle.

In 2003, the show schedule had the llamas in the main area Friday, Saturday and Monday with a “down” day on Sunday. The 2007 show held the walking fleece and costume classes in the Cavalcade Arena area on Sunday. The llamas were also invited to participate in a parade through the Fairgrounds. Interspersed with princesses waving from the back seat of classic convertible cars, the llamas walked through the grounds past jugglers, acrobats, and live concerts.

The State Fair dates were changed in 2010 to reflect the earlier start time for schools in California. The llama show was held the last four days of Fair, again scheduled on the prime days of Fair. Walking Llama Fleece and Youth Judging classes were held outside on Sunday while the Longhorn cattle used the main arena for their show.

Alpaca classes were added in 2012 and eventually developed into a Level I Alpaca Show with Shorn Fleece, Halter, and Open Alpaca Performance classes.

At the 2019 Fair, Cal-ILA announced that they were no longer continuing as an organization and LANA agreed to be the new State Fair host starting the following year. Like all other events going on during the major COVID-19 outbreak, the Fair was cancelled in 2020 and 2021. Cal Expo was a major vaccination site in the State of California. The area of the barn where the show is held was used as a drive-thru vaccination center.

The show returned in 2022. Exhibitors were happy to be back and evidenced by the high participation as well as the fabulous ranch displays.

The theme for the 2024 State Fair was the “State of Awe.” This was the 36th Llama Show and the 11th Alpaca show.

COSTUME CLASSES

ADULT COSTUME			
place	ADULT EXHIBITOR	LLAMA or ALPACA	RANCH
1	Joy Pedroni	RRLR Chilean Harley	Black Cat Llamas

Public Relations Photo Obstacle

The "Photo Op" obstacle is a fun PR obstacle I like to use every year. The goal is to have the animal stand patiently still while getting their picture taken with its exhibitor who is holding a State Fair themed sign. The exhibitors' pictures are texted or emailed to them later as a memento. Thank you Jill Knuckles and her brother-in-law Mario Wilson for your role as the PR Photographers.

CALIFORNIA STATE FAIR PREMIER EXHIBITORS

THE CALIFORNIA STATE FAIR PREMIER EXHIBITOR & YOUTH PREMIER EXHIBITORS

Another highly sought after award and the highlight of the State Fair awards is the State Fair Premier Exhibitor. This grand prize is awarded to the exhibitor winning the most ALSA points on animals owned and exhibited in single open classes: halter, showmanship, fleece, and performance. This high point award winner earned an embroidered chair, a premium, and a beautiful rosette ribbon.

Youth Premier Exhibitors are awarded to the youth winning the most ALSA points in their age division in Showmanship, Skillathon Challenge, Pack, Public Relations and Obstacle (best two of three performance results). These winning youth earned an embroidered bag, a premium, and a beautiful rosette ribbon.

HERDSMAN and SPECIAL AWARDS

HERDSMAN

The California State Fair offers premiums and rosettes to encourage the exhibitors of all livestock to present an attractive, educational, and high quality ranch or club display. Exhibitors need to maintain a high score each day to stay eligible. Two categories are offered in the Llama and Alpaca Division: 2 Head or Less and 3 Head or More. Awards presented to the top three groups in each category.

BEST EDUCATIONAL PRESENTATION

A special rosette is awarded to the Best Educational Presentation in each species group exhibited at Fair. Winning exhibitors (each specie) compete against one another for the Grand Prize. Premiums and a beautiful rosette awarded to the top three Overall Best Educational Presentations of the Fair.

Winners also get stalling preference for the following State Fair.

HERDSMAN 2 HEAD OR LESS

1ST PLACE

ALPACAS vs. LLAMAS

"Are alpacas just baby llamas?" NO!!!

Llama

Alpaca

WHAT DO LLAMAS AND ALPACAS HAVE IN COMMON?

- They are both members of the camelid family
- They are both used for their wool
- They are both found in the Andes mountains
- They are both used for their wool

DIFFERENCES:

- Llamas are larger than alpacas
- Llamas have a single lock of wool, while alpacas have two
- Llamas are used for heavy work, while alpacas are used for wool
- Llamas are found in the highlands, while alpacas are found in the sierra

ALL ABOUT 4-H

By Maverick Zatzke

What do you do in 4-H?

Learn about the 4-H program and its benefits. It's a great way to learn about agriculture and leadership.

How do you get involved?

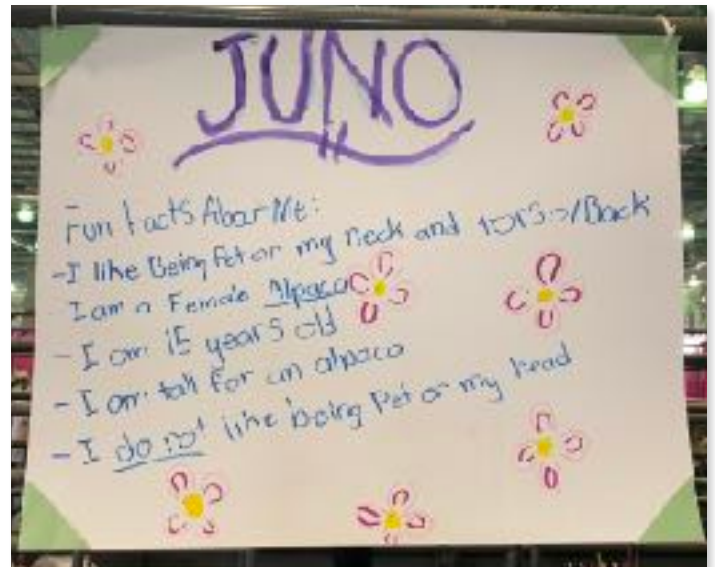

Join a 4-H club or team. You can learn about many different topics, including animal care, leadership, and more.

Benefits of 4-H:

- Learn about agriculture and leadership
- Develop leadership skills
- Gain hands-on experience
- Meet new friends

YOUTH SKILLATHON CHALLENGE

Many State and County Fairs across the United States have similar Skillathon-type competitions offered to their youth exhibitors. As part of the Youth Premier Exhibitor competition, the Skillathon Challenge has been added to test the youths' knowledge on certain topics. The topics this year were:

Llama and Alpaca Anatomy
Digestive System
Performance
Judging a Performance Class

The youth were emailed a study guide based on their age division. The youth judged four exhibitors in an eight obstacle performance course and completed quizzes on the above topics. Thank you Kayla Rogers for judging, organizing the "exhibitors" and gathering animals. Thank you Jana Kane, Mike Kane, Joy Pedroni and Mario Rivera for your role as exhibitors.

DEMONSTRATIONS

There were demonstrations scheduled in the evening for the public. Kayla Rogers and Cali Roberson organized the participating youth. Each youth had a turn at the mic answering those frequently asked questions we hear when we're at an event or show

LIMBO CONTEST

Alpaca Winner - Caitlin Clark and Christabelle
Llama Winner - Pedro Carreño and 4R Eureka!

WALK-A-LLAMA & WALK-AN-ALPACA

After the demonstrations and the Limbo Contest in the evening, a popular event for the public is the "Walk-a." Originally called Pooh Corner, children could come in to the arena to walk a llama or alpaca. It was renamed and any fair-goer, child or adult, could get the experience to walk a llama or alpaca, take pictures, and get that one on one opportunity with the exhibitor and their animal.

Minimum Standards of Care for Llamas and Alpacas

Minimum Standards of Care are mandatory to llama and alpaca survival and humane treatment. These are the most basic requirements that all llamas and alpacas must have for physical well-being and, as such, define minimum requirements for animal control officers and government officials investigating questionable llama and alpaca care situations.

1. **WATER:** Animals should have continuous access to potable drinking water.
2. **NUTRITIONAL:** Animals should have nourishment adequate to sustain life and health.
3. **SHELTER:** Animals should have natural or man-made shelter that enables them to find relief from extreme weather conditions. The sheltered area must allow for the ability to stand, lie down, rest and reasonably move about.
4. **MOBILITY:** Animals should have a living area through which they can move freely and exercise independently
5. **NEGLECT:** Animals should have a physical appearance free from signs of serious neglect. Signs of serious neglect may include such things as crippled ambulation due to severely curled toenails, ingrown halters, or living conditions not meeting the minimums listed above.
6. **SAFETY:** Animals should be reasonably safeguarded from injury or death within their defined living environment and/or when traveling.
7. **CRUELTY:** Animals should be reasonably safeguarded from cruel treatment and actions that endanger life or health or cause avoidable suffering.
8. **SOCIALIZING:** Llamas and alpacas are herd animals and should not live alone without a companion animal. A crier (a baby llama or alpaca under six months) should not be revised apart from other llamas or alpacas.

This document may be reproduced in whole or in part without permission, as long as the copyright citation is included.

Standards of Care Committees, June 2005
